Turn your ideas into action.

In Gothenburg, Sweden, 2 - 10 May 2015, 50 international and 10 Swedish students will get together to make the world a better place. Through seven days of inspiring workshops, lectures and conversations we will explore what really lies between idea and execution. We look at the catalysts of change – and become change agents ourselves.

Join us for a seven day exploration to find the tools necessary to build networks, change businesses, transform communities and promote creativity.

EuroEnviro 2015 is open to students from all fields. Applications open February 5th on www.euroenviro.org.

Vi ses i Göteborg!
